

## Mission Statement

Individuals and families will be safe, independent, and able to meet their basic needs.

Community Services works in partnership with public and private agencies to help individuals and families be safe and successful. The department provides a wide array of services to eligible citizens.

Individuals and families who need assistance in any of the following areas are encouraged to contact the department:

- |                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                          |

## Goals

- Children and adults who are vulnerable, disabled, mentally ill, or chemically dependent will be safe and healthy.
- Veterans, job seekers, and other eligible persons will receive the support needed to remain or become self-sufficient.
- Timely, respectful, and cost-efficient services will be delivered to all customers.
- Culturally responsive environments will be fostered to promote diversity and inclusion for all people.
