MISSION: As advocates for persons with mental health needs, we shall monitor, review, and evaluate the allocation and adequacy of County mental health services; we shall annually address the coordination of care between the Regional Treatment Centers and community based service units; and we shall advise the County Board regarding programs and services affecting persons with mental illness in Washington County.

- ❖ Call to Order
- ❖ Virtual Meeting Statement: “The Washington County Local Advisory Council on Mental Health (LAC), is subject to the requirements of Minnesota State Open Meeting Law by statute. Because of the ongoing ramifications of COVID-19 and in response to the current fact-based guidelines from the CDC and MDH, the LAC has determined that an in-person meeting is not practical or prudent at this time. Given the changing landscape of COVID-19 and its variants, this decision will be re-evaluated on a monthly basis, and until such time as these restrictions are lifted, we will continue to use the modality of virtual meetings to conduct our business.”
